Pitt Review	The Pitt Review 2008 was a comprehensive appraisal of all aspects of flood risk management in England. It contained 92 recommendations addressed to the government, local authorities, Local Resilience Forums, providers of essential services, insurers and others, including the general public.	<a href="http://webarchive.nationalarchives.gov.uk/20100702215619/http://archive.cabinetoffice.gov.uk/pittreview/thepittreview/final_report.html">http://webarchive.nationalarchives.gov.uk/20100702215619/http://archive.cabinetoffice.gov.uk/pittreview/thepittreview/final_report.html</a>
Flood and Water Management Act 2010	An act of parliament that provides for overall management of flood risk for people, homes and businesses.	<a href="http://www.legislation.gov.uk/ukpga/2010/29/contents">http://www.legislation.gov.uk/ukpga/2010/29/contents</a>
Land Drainage Act 1991	An act of parliament that concerns the functions and powers of authorities relating to land drainage.	<a href="http://www.legislation.gov.uk/ukpga/1991/59/contents">http://www.legislation.gov.uk/ukpga/1991/59/contents</a>
Shoreline Management Plan (SMP 8) - Essex and South Suffolk	Policy Paper regarding how the Environment Agency and local councils are developing shoreline management plans to manage the threat of coastal change.	<a href="https://www.gov.uk/government/publications/shoreline-management-plans-smgs">https://www.gov.uk/government/publications/shoreline-management-plans-smgs</a>

Document	What is it?	Where to find it
River Basin Management Plan (RBMP) - Anglian	Set out how organisations, stakeholders and communities will work together to improve the water environment.	<a href="https://www.gov.uk/government/collections/river-basin-management-plans-2015">https://www.gov.uk/government/collections/river-basin-management-plans-2015</a>
Flood Risk Management Plan (FRMP) - Anglian	Set out how organisations, stakeholders and communities will work together to manage flood risk, these encompass a.	<a href="https://www.gov.uk/government/collections/flood-risk-management-plans-frmps-2015-to-2021">https://www.gov.uk/government/collections/flood-risk-management-plans-frmps-2015-to-2021</a>
EU Flood Risk Regulations 2009	Legislation in the European Parliament on the assessment and management of flood risks.	<a href="http://www.legislation.gov.uk/ukxi/2009/3042/contents/made">http://www.legislation.gov.uk/ukxi/2009/3042/contents/made</a>
Essex SuDS Design Guide	Demonstrates how new developments in Essex can accommodate SuDS, and the standards expected of any new SuDS scheme to be suitable for approval and adoption.	<a href="http://flood.essex.gov.uk/media/1277/suds-guide_april-2016.pdf">http://flood.essex.gov.uk/media/1277/suds-guide_april-2016.pdf</a>
SuDS Manual C753	The SuDS Manual incorporates the very latest research, industry practice and guidance. In delivering SuDS there is a requirement to meet the framework set out by the Government's 'non statutory technical standards'. The SuDS Manual complements these and goes further to support the cost-effective delivery of multiple benefits.	<a href="https://www.ciria.org/Resources/Free_publications/SuDS_manual_C753.aspx">https://www.ciria.org/Resources/Free_publications/SuDS_manual_C753.aspx</a>

Document	What is it?	Where to find it
National Planning Policy Framework (NPPF)	The National Planning Policy Framework sets out government's planning policies for England and how these are expected to be applied.	<a href="https://www.gov.uk/government/publications/national-planning-policy-framework--2">https://www.gov.uk/government/publications/national-planning-policy-framework--2</a>
Local Plans	A local plan is a statutory document that sets out the council's vision and strategies for future development. Local plans are used to help in the determination of planning applications and in other planning related decisions	Local Plan information can be found on your District/Borough/City Council's website.  <a href="https://www.gov.uk/find-local-council">https://www.gov.uk/find-local-council</a>
Preliminary Flood Risk Assessment (PFRA)	An assessment of floods that have taken place in the past and floods that could take place in the future. They considers flooding from surface water runoff, groundwater and ordinary watercourses. LLFAs must review their PFRAs every 6 years.	<a href="http://www.essex.gov.uk/flooding">http://www.essex.gov.uk/flooding</a>
Surface Water Management Plan (SWMP)	A plan which outlines the preferred surface water management strategy in a given location. In this context surface water flooding describes flooding from sewers, drains, groundwater, and runoff from land, small water courses and ditches that occurs as a result of heavy rainfall.	<a href="http://www.essex.gov.uk/flooding">http://www.essex.gov.uk/flooding</a>
